We transport your vehicles

As a service provider to the automotive industry, we have extensive experience in transporting vehicles. With our own fleet, we take your vehicles where you need them: domestic and internationally; closed and open; flexible, safe and reliable.

We transport individual vehicles or entire fleets:

- ✓ Cars
- ✓ Prototypes
- ✓ Development vehicles
- ✓ New and used cars
- ✓ Classic cars
- ✓ Campervans, mobile homes

Regardless of whether we work for you as a forwarder and/or as a subcontractor - you can always count on professional competence and absolute discretion.

Our fleet for your transport

Irrespective of whether you take advantage of our other services, such as vehicle procurement, you can book the following closed transportation options with us:

- ✓ Car trailer for single transport
- ✓ Truck with trailer for up to 2 vehicles and/or material
- ✓ Truck and trailer for up to 6 vehicles

We have the following options for you for open transport:

- ✓ Various car transporters with space for 1 to 8 vehicles
- ✓ Transfer of cars or trucks under their own power with transfer registrations

Further quality features:

- ✓ The option to bring tyres, wheels, accessories, measuring devices and other equipment
- ✓ Regularly trained, highly qualified, German- and English-speaking staff
- ✓ Safety and transparency through GPS fleet management with real-time tracking
- ✓ Insurance with 40 SDR/KG instead of the usual 8,33 SDR/KG
- ✓ Additional insurance for higher vehicle values is possible

We will happily provide you with our EC license as well as CMR insurance confirmation.
